

KERALA AGRICULTURAL UNIVERSITY

POST GRADUATE PROGRAMMES PROSPECTUS 2022-23

INTRODUCTION

The Kerala Agricultural University is an institution which came into existence on the 24th day of February, 1971 by the Act passed by the Government of Kerala. The University is the principal instrument of Kerala state in providing human resources, skills and technology required for the sustainable development of its agriculture, agricultural engineering, horticulture and forestry by integrating education, research and extension.

The University fulfills its mission through a network of institutions spread throughout the State consisting of three faculties under which are 8 constituent Colleges, 6 Regional Agricultural Research Stations, 16 Research Stations, one Central Training Institute, one Communication Centre and seven Krishi Vigyan Kendras. There is a network of libraries, including a Central Library in the main campus, constituent Colleges, RARS, Research Stations and KVKs.

Post-graduate programmes are offered in almost all the disciplines with specializations related to agriculture, agricultural engineering and forestry. The university offers post-graduate programmes leading to Master's degree in 32 disciplines and Doctoral programmes in 25 disciplines.

Postgraduate Programmes (PG) in the following faculties will be offered during the year - 2022

- Faculty of Agriculture
- Faculty of Forestry
- Faculty of Agricultural Engineering and Technology
