ANNOUNCEMENT

Sub : KAU -Education – PG/Ph.D Admission for the academic year 2023-24 – Chance for up gradation
- Google form link provided – reg.

Students admitted to various PG/Ph.D programmes of Kerala Agricultural University **through the allotment procedures of KAU admission 2023-24 conducted on 05/02/2024 and 06/02/2024 ONLY** are hereby directed to submit their willingness for choice up gradation, if interested, through the google form link provided in the website www.admissions.kau.in.

The choices already submitted by students for admission will be considered for up gradation purpose. The candidates are advised to report their willingness by 17/02/2024, 11.59 pm. The submissions received after the closure date & time will not be considered.

The up gradation and subsequent campus/discipline transfer, if any, ordered by the University on the basis of the willingness submitted by students will be final and there will be no provision to revoke the same. Students should take admission in the new campus/discipline allotted and no further claims in this regard will be considered. Students are therefore instructed to submit their willingness for up gradation with utmost care.

No individual requests other than the Google Form provided will be considered for Campus/Discipline transfers.
